

Gifts of Sharing

*Holidays, Birthdays, Anniversaries, Graduations
Memorials-any occasion*

Hear the possibilities...

Donate the amount of your choosing to Northern Voices and a beautiful specially designed gift card will be sent with an appropriate message to your designated gift recipient.

How meaningful this way of giving can be...not only does the recipient know that they have been remembered and honored, but a child who is deaf or hard of hearing has been given a life changing gift--the gift of speech and language-- in their name. Your gift recipient will know they are sharing and being honored in a very special way.

Gifts of Sharing make wonderful gifts. Just complete the following form and send with payment to:
